## FRONT END:

After setting up Bambora Payment Method you can see it on the checkout page, as in the screenshot below. Now you can capture ample amount of orders using Bambora.

The screenshot shows the LUMA checkout interface. At the top left is the LUMA logo. Below it is a progress bar with two steps: 'Shipping' (completed, marked with a checkmark) and 'Review & Payments' (current step, marked with a checkmark in a red circle). The main content area is titled 'Payment Method:' and features a radio button selection for 'Bambora Payment By Rootways', which is selected. Below this, there is a checkbox for 'My billing and shipping address are the same' which is checked. The shipping address is listed as: Canada Post test, 12 Tawar, 12 Tawar, Mississauga, Ontario L4T 2Z2, Canada, 4085353840. Below the address are logos for American Express, VISA, MasterCard, DISCOVER, and JCB. There are three input fields: 'Credit Card Number \*' (empty), 'Expiration Date \*' (Month and Year dropdowns), and 'Card Verification Number \*' (empty with a help icon). A blue 'Place Order' button is located at the bottom right of the form. On the right side, there is an 'ORDER SUMMARY' box with the following details: Cart Subtotal \$49.00, Shipping \$0.00, Free Shipping - Free, Tax \$6.37, and Order Total \$55.37. Below the summary is a section for '1 ITEM IN CART' showing a pair of red pants, 'Portia Capri testing', with a quantity of 1 and a price of \$49.00. At the bottom right, there is a 'Ship To:' section with a dropdown menu showing 'Canada Post test' and a pencil icon for editing.

That's how easy it is to use Bambora Payment Gateway extension by Rootways. Please contact us for any queries regarding Magento and custom web-development of E-commerce websites.
